

# The Coos Bay Front Street Blueprint Project

## A detailed strategy to implement Front Street improvements

Anticipated improvements will enhance:

- Access and intersection, circulation and connectivity.
- Bike and pedestrian safety and access.
- Public parking.
- Historic wayfinding.
- Public waterfront improvements.

### About the Front Street Blueprint Project

Front Street is a part of downtown with a direct connection to the bay front with pedestrian, bicycle and vehicle access to the downtown commercial core and visitor amenities and proximity to Highway 101. Over time the area has changed and grown but the community's vibrant waterfront Front Street vision remains. The project will build on the community's 2017 Front Street Action Plan work and Coos Bay 2020 Transportation System Plan.

### Project objectives:

- Identify access, circulation, and connectivity improvements.
- Create a safe, balanced and efficient multimodal transportation system offering travel choices, parking and wayfinding to and through the area.
- Actively engage community and property owners.
- Reflect the historic and cultural significance of the Front Street Project Area through public art and streetscape improvements.

Front Street Blueprint Project Area

### Attend Planning Commission Meeting

May 11, 2021 | 6 p.m.

Coos Bay City Hall, 500 Central Ave, Coos Bay

Information on the area's existing conditions and key options to explore will be presented. Please come and share your feedback. All are welcome to participate. Masks and social distancing are required. (Masks are available at City Hall.)

The meeting will be live streamed at: [www.youtube.com/channel/UC-w12ikBNWVkoVWVqJ0bk2g](https://www.youtube.com/channel/UC-w12ikBNWVkoVWVqJ0bk2g).

More information will be available Tuesday, May 4 at: [coosbay.org/government/search\\_agendas-minutes](https://coosbay.org/government/search_agendas-minutes).
